**Dear Secretary – club as addressed**

**The Mornington Peninsula Bowls Inc. is attempting to set up a social Bowls competition among the senior football and netball clubs within our area.**

**The project will take place over 5 Thursday nights in October and November.**

**This will lead into the Wednesday Twilight League and we are hoping for**

- **attract new players for this competition**
- **allow players of other sports to become familiar with your bowls club**
- **give potential sponsors an exposure to your club**
- **inject new revenue streams**

**To be successful we need**

- **a commitment from our clubs to participate**
- **Clubs to pursue links with their local football/netball clubs**
- **We will provide details of those links**

**The feedback that we have received has been initially very positive, some saying that they are craving a competitive atmosphere to try another sport.**

**The competition will run over 5 Thursday nights Oct 11,18,25, Nov 5,12. Games will run over 90 minutes and are likely to be two bowl triples over about 7 ends. (2 games each night)**

**Details of green fees etc. will be determined later.**

**Obviously, now, we are unsure of the level of participation we are going to be allowed.**

**This will be a lot of work in starting this concept, but it could be a strong source of recruiting and revenue over the years for all clubs involved.**

**Can you please confirm that your club will participate by 31 July? 2020**

**Kind regards,**
